

# LITIGATION SUPPORT

A professional team able to provide expert reports that may be used for Court purposes.

## OUR SERVICE

Our chartered surveyors and business consultants can be called upon to act as expert witness in a wide range of disputes including matrimonial cases, valuation, rights of way, boundary disputes etc.

- Expert witness reports compliant with Civil Procedure Rules (CPR)
- Single Joint Expert or Party Expert
- Boundary disputes and Right of Way disputes
- Agricultural disputes
- Building disputes

## WHY BROWN&CO?

The most important attributes in an expert witness are experience and practical knowledge of their subject. Brown&Co has a large team of highly experienced professionals in a wide range of disciplines that can be called upon to provide independent evidence. With chartered surveyors working in the commercial, residential and agricultural markets we have up to date knowledge of trends and values and every day experience of property related issues.

residential and agricultural markets we have up to date knowledge of trends and values and every day experience of property related issues
