BRECON MARKET
THIRD EVENING SALE OF BREEDING SHEEP
THURSDAY 28th SEPTEMBER

An excellent entry of breeding sheep selling to a difficult trade. The sale attracted an entry of 1100 breeding females along with 80 Breeding Rams. Topping the Ewes was TD Rees, Tynlone for a pen of Pure Bred Texels at £168. The aged ewes would have been the best trade of the evening. The complete dispersal sale from G Davies & Co, Cwmachau attracted a lot of interest around the ring. Ewe lambs topped at £94.50 again with Pure Bred Texels from TD Rees. On the whole trade was sticky but this was expected considering it is getting quite late in the season.

Yearlings (130) topped at £168 averaging £110, 2 year olds (100) topped at £136 and averaged £88, 3 year olds (120) topped at £80 and averaged £75, 4 year olds (102) topped at £75 and averaged £62, full mouthed ewes topped at £53.50 and topped at £64 and ewe lambs (4260 topped at £94.50 and averaged £75.

There were 80 breeding rams forward and as with the ewes the best were in good demand. Once again Bill Edwards, Upper Penwaun had a flying trade topping at 580 guineas, with all Texel rams. Sophie Bevan sold her first ever tup, a Texel at 540 guineas. Suffolks were a much harder trade.

The overall average was 350 guineas and there was a clearance of 75%.
