AUCTIONEER'S COMMENT: A pleasing lamb trade with total clearance achieved. Good demand for all weights, with a premium remaining on handy weight lambs. A smaller entry of cull ewes saw overall an improved trade, with all types being dearer. A good entry of lambs and ewes required next Thursday 27 th December. Wishing all our vendors and purchasers a Merry Christmas.

READING SHEEP TAGS

Please be aware of the Defra requirements for reading ear tags. There is a disclaimer as far as McCartneys is concerned concerning tags that don't read, tags that have come out and dare we say sheep that are not tagged. Ultimately the vendor is responsible to ensure that he has 100% records to meet Cross Compliance requirements. We can only read what we can read! Please take note of the disclaimer which stated 'McCartneys have taken all due care and diligence in reading the EID sheep tags shown in this document but will not accept any failure resulting from the tags themselves either because of tag malfunction or installation error and will not accept any financial consequences from such error.

Vendors/purchasers must satisfy themselves as to the correctness of information shown in relying upon it to meet their regulatory responsibilities' Please take note we will do all we can to help you and not shirk our responsibilities. We can do no more than this. Please see on our website www.mccartneys.co.uk the Defra Q & A Sheep Electronic Identification (EID) CPRCs & Record Keeping Tolerance.
