Auctioneer's Comment:

A similar trade to last with handy weight hoggets (38-44kg) continue to command a premium and being well ahead of deadweight quotations, generally being 200ppk plus. Heavy hoggets were a little more difficult on the day.

Auctioneer's Comment:

A fantastic cull ewe trade on all types, including a noticeable improvement for hillbred ewes. More ewes needed weekly to fulfil buyers requirements. We have buyers for all shaped and sized of ewes from grazing types to well fleshed ewes.
