**READING SHEEP TAGS**

We are registered as a Central Recording Point and will record and give you the information you require for cross compliance amongst other things at no further charge

Please be aware of the Defra requirements for reading ear tags. There is a disclaimer as far as McCartneys is concerned concerning tags that don't read, tags that have come out and dare we say sheep that are not tagged. Ultimately the vendor is responsible to ensure that he has 100% records to meet Cross Compliance requirements. We can only read what we can read!

Please take note of the disclaimer which states “*McCartneys have taken all due care and diligence in reading the EID sheep tags shown in this document but will not accept any failure resulting from the tags themselves either because of tag malfunction or installation error and will not accept any financial consequences from such error. Vendors/Purchasers must satisfy themselves as to the correctness of information shown in relying upon it to meet their regulatory responsibilities.*”

Please take note we will do all we can to help you and not shirk our responsibilities. We can do no more than this.

Please see on our website [www.mccartneys.co.uk](http://www.mccartneys.co.uk) the Defra Q&A Sheep Electronic Identification (EID) CPRCs & Record Keeping Tolerance.

## **General Data Protection Regulation (GDPR)**

**As a result of the GDPR legislation which came in to force in May 2018, and in order to fulfil our health and safety obligations to our employees, we have reluctantly taken the decision to introduce a security system in our offices at Ludlow, Worcester and Brecon livestock markets.**

**In the past, access to the office and reception area has not been restricted. However, the implementation of this system will mean that only employees and authorised personnel will be able to enter this area of the building, and access to this area from the main door in reception and the back office door to the cattle sale ring will be restricted accordingly.**

**This system will be activated on 1st April 2019 and while we appreciate that this may initially cause some inconvenience, we would ask for your understanding and cooperation.**

**The market staff have been instructed to ensure that the system is implemented and is not compromised or abused in any way.**

# **NOTICE TO CATTLE OWNERS**

## **THE CATTLE IDENTIFICATION REGULATIONS 2007**

The above Order came into operation on 6th April 2007 and your attention is drawn to **Regulation 4, Schedule 1, Article 3 (3)**.

Regulation 4 requires the owner of a bovine animal kept on any premises to mark or identify that animal in an approved manner, within 36 hours for a bovine animal born in a dairy herd and within 20 days for any other herd.

Please ensure that your cattle are marked with an approved Ear Mark.

## **HEALTH AND SAFETY AT WORK ACT 1974**

We would be most grateful if customers, having had the opportunity to examine beasts in the pens, would refrain from standing in the alleyways. Please do not stand in the exit to the Ring. Our drovers have been asked to ensure that alleyways are clear prior to driving cattle down and in the interests of safety we would respectfully ask for your co-operation.
